United States District Judge

Re: *Dong v. City University of New York, et al.*, S.D.N.Y. No. 25-CV-1332 (JLR)

Your Honor:

My firm represents Plaintiff in the above-captioned action. I write in further response to Defendants' letter application dated March 26, 2025 (ECF No. 7).

Further to my prior correspondence regarding this issue, I received an update from the process server today and determined that there was an error whereby the Summons was not served with the Complaint and Exhibit A thereto (the May 9, 2024 Notice of Claim). In view of this information, I contacted opposing counsel today to determine if they can accept service on behalf of their clients to avoid the expense of re-effectuating service to cure this defect, but have not received a response. I respectfully request that the Court permit the parties until April 11, 2025 to provide a further update regarding this issue.

I thank the Court for considering this matter.

Respectfully Submitted,
TA LEGAL GROUP PLLC
